

# Asian Volunteers Voice

- on **SDGs** and **NGO Empowerment** -

**Vol. 07 on 2021 Jul. 7th (Wed)**  
**SDGs 13 Climate Action**  
**Online by Zoom**

**3 SCC (Stop Climate Change) projects will be presented!**

## **Bamboo charcoal of renewable energy (Japan)**

Volunteers cut bamboos to protect ecology & maximize nature power to fix CO<sub>2</sub>. Then, they make bamboo charcoal to be used as fuel in the local kindergarten instead of using oil.

In 2019, 541 kg of charcoal were made and 1.08 tons of CO<sub>2</sub> emissions were reduced!

\* to be presented by  
Ms. KURACHI Hana (2019  
project leader, Univ. student)

## **Protect Mangrove from development (Cambodia)**

Many mangrove forests were lost by port construction and illegal cut that severely damaged villagers life.

Volunteers and fishermen revive the forests together and promote eco tourism.

In 2019, 4,490 trees were planted and 4.5 tons of CO<sub>2</sub> emissions were reduced!

\* to be presented by  
Mr. Sophat Sorn (Founding  
President of CVA)

## **Create Mangrove & its products (Indonesia)**

Rising speed of sea level is highest in the world here that causes serious flood.

Volunteers plant mangrove with the local government and also make/ sell syrup made by mangrove fruits.

In 2019, 51,566 trees were planted and 51.6 tons of CO<sub>2</sub> emissions were reduced!

\* to be presented by  
Ms. Dian Nursiwi (Director of  
GREAT) and Ogi Safrian (Area  
Manager of GREAT)
